PART II—Section 4

Statutory Rules and Orders issued by the Ministry of Defence

MINISTRY OF DEFENCE

New Delhi, the 3rd February 1951

S.R.O. 35—In exercise of the powers conferred by section 4 of the National Cadet Act 1948 (XXXI of 1948), the Central Government be constituted for the State of Punjab and East Punjab States Union the undermentioned unit of the Junior Division of the National Cadet Corps w.e.f. 20th Dec. 1950.

Yadevindra Public School Junior Troop National Cadet Corps, PATIALA

S.R.O. 36—The following bye-laws for regulating the erection and re-erection of buildings in the Ahmednagar Cantonment, made by the Cantonment Board, Ahmednagar, in exercise of the powers conferred by section 186 of the Cantonments Act, 1924 (II of 1924), and in supersession of the bye-laws published in the Bombay Government Gazette Part I, pages 372 to 374, dated the 10th February 1927, are published for general information, the same having been previously published approved and confirmed by the Central Government, as required by sub-section (1) of section 284 of the said Act, namely —

Bye-laws for regulating the erection and re-erection of buildings in the Ahmednagar Cantonment

1. (i) Every person intending to erect or re-erect a building shall apply for sanction by giving notice in writing to the Executive Officer, under section 179 of the Cantonments Act, 1924, in form "A" (which can be obtained from the office of the Cantonment Board, Ahmednagar, on payment of annas two only) appended to these bye-laws, and shall at the same time submit, in triplicate (one copy being on tracing cloth or linen and the other copies in blue print or on tracing cloth) duly signed by him or by his agent the following —

- (a) a site plan of the land on which it is intended to erect or re-erect the building,
- (b) a plan showing the elevation and cross section of the building which it is proposed to erect or re-erect together with a plan of the existing buildings, if any, showing all platforms, balconies and other projections, existing thereon, and
- (c) the specifications detailed in form B [which will be supplied free of cost with form "A" referred to in clause (i) above] appended to these bye-laws.

(ii) All new work shall be indicated on the plans in a distinctive colour and a key to the colours used shall be given thereon, as detailed below. —

Existing work —Not to be coloured

Proposed work in—Red.

Demolition work in—Yellow

2. The site plan shall be drawn to a scale of not less than 64" to 1 mile. The scale used shall be marked on the plan which shall clearly show:—

- (a) the direction of the North point;
- (b) the boundaries of the site on which it is proposed to erect or re-erect the building;
- (c) the position and name of all adjacent streets, number of buildings, vacant land and drains with distances;
- (d) the line of frontage of adjoining buildings;
- (e) the alignment of drains showing the manner in which the roof and house-drainage and the surface drainage will be disposed of.

3. The building plan (including ground plan, section and elevation) shall be drawn to a scale of not less than eight feet to an inch, and shall show, *inter alia*, the following:—

- (a) the external dimensions of the main building;
- (b) the ground floor, the first floor, any other floor, and the roof;
- (c) the position and dimensions of all projections beyond the main walls of the building;
- (d) the position of all proposed and existing drains, urinals, privies, fire-places, kitchens, gutters and down spouts;
- (e) the dimensions of all rooms, and the position of all doors, windows, and ventilators in each room;
- (f) the materials to be used for the foundations, walls, floors and roofs;
- (g) the purposes for which it is intended to use the building.

4. Every person who erects or re-erects a building the whole or any part of which is intended or used for human habitation shall, if so required, construct one or more privies in connection with or as a part of such building.

5. The outer covering of all pent roofs shall be made of tiles, iron sheets or other non-inflammable materials.

6. House drains through which waste or sullage water is intended to pass, shall be constructed of earthen ware glazed pipes, cement, concrete or other impervious material and shall be discharged into a covered soakage pit, which shall be constructed and maintained by the house owner or disposed off in a manner approved by the Executive Officer, Ahmednagar Cantonment.

7. Every building of more than one storey shall have a width of stairs of not less than three feet to ensure safety in case of fire.

8. Every room in a building intended or used for human habitation shall be provided with sufficient ventilators and the minimum dimensions of every room shall be as under:—

Every living room shall have a floor area of at least eighty square feet and a width of eight feet. The height of every room, having a pent roof, shall be at least eight feet, and in the case of a room having a flat roof the height shall be at least ten feet.

9. The plinth of all buildings shall be at least one foot above the level of the ground and every wall of such building shall have a damp proof course of not less than one inch in thickness above the plinth level, which shall consist of cement, concrete or plaster.

10. In no case shall the height of a building be more than twice the width of the street on which it is to abut.

11. Where the plans submitted are unintelligible, ambiguous, or are in contravention of these bye-laws, the Executive Officer may return such plans to the applicant giving his reasons in writing, and until a correct plan is submitted the applicant shall be deemed not to have given the legal notice required by section 179 of the Cantonments Act, 1924.

FORM "A"

Notice to erect or re-erect a building under section 179 of the Cantonments Act, 1924.

From

To
